89 North - Fall 2017

1. Reduce the fare from \$3.50 to \$2.00.
2. Second AM and PM trips and reverse commute added.
3. To shorten ride time, we will:
 - turn VTC, Exit 5, and Exit 7 into Request Only stops; these adjustments shave 15 minutes from the trip creating a 30-minute trip from Randolph Park and Ride to the National Life Building.
4. We will cut the 7:00 AM trip because it is too early to meet the expressed need of potential passengers and it creates a 9.5-hour work day.
5. The 7:00 AM trip is converted to a later trip which will depart the Randolph P&R at 7:50 AM and get employees to National Life Building for an 8:30 start time; this will create an 8.5-hour.
6. Removed Main Street/Shaw's due to:
 - congestion
 - less popular transfer point
7. On the PM Northbound trip CVMC, State Street/Subway, and DOL were moved before National Life Building to minimize onboard time for National Life Building employees.
8. Improves connectivity with 8:05am northbound LINK express and with 5:00 PM southbound LINK express at DOL.

Quintown Area Service

Current

- Seniors receive door to door service on Monday's, Wednesday's, and Friday's
- On Friday's, service is extended from Quintown region to Randolph for shopping
- On the 2nd Friday of the month service is extended for shopping in West Lebanon

September 18th

- Reconfigure service hours to create a new deviated fixed route service between Randolph, Rochester, and Hancock
- Friday Shopping Trip from Hancock to Randolph to operate once a month, rather than three times a month
- The 2nd Friday West Lebanon/Randolph Shopper will not change

Quintown Schedule

10:30	10:45	R	11:30	R	R	12:00	R	R	1:00	1:30	R	2:15	2:30

- Creates new travel opportunities for everyone between Quintown area
- Service is unchanged for seniors who want to access the Quintown Senior Center
- In this version we have 1 hour for deviations (rather than 2) between Hancock & Rochester and then back to Hancock. Does this leave enough time for you to be picked up at home, dropped off for errands, picked up from errands, and returned home?

Quintown Schedule

Hancock 3rd Friday of every Month

	3:30	3:45	4:15	R (4:30)	R	R	-	R	R	5:15

- We propose operating the Friday Shopping Trip from Hancock to Randolph to will operate once a month, rather than three times a month.
- We believe the impact will be offset by the new local service that is becoming available three times a week between Hancock and Rochester for local shopping.
- The 2nd Friday West Lebanon/Randolph Shopper will not change.

Chelsea Area Service

Current

- Seniors receive door to door service on Monday's and Friday's to access meals at the senior center.

September 18th

- Reconfigure service hours to create a new deviated fixed route service between Bethel, Royalton, Tunbridge, & Chelsea on Monday's & Friday's

Bradford Area Circulator

Current

- Fare-Free deviated fixed route service for anyone living in the Bradford, Newbury, and Woodsville areas
- Service operates Monday-Friday from 8:30-4:30

September 18th

- Create an extended time to serve Bradford on one big deviation loop between noon and 1:30
- Still provides service in the area between 8:30 and 4:30 but consolidates it into 1 bus instead of 2
- Eliminate 3 Bradford loops to create a 4th Woodsville loop
- We expect little to no negative impact on Bradford riders as the 3 trips being eliminated have a combined daily ridership of 1.5 passengers per day.

River Route Service Reduction

- We will cut the River Route late morning trip
- Because of low ridership the impact will be minimal on current passengers
